ANS: D REF: 49 NOT: Applied

#### ESSAY

1. Describe two key goals of U.S. foreign policy immediately following World War II and list the major corresponding strategy used to meet each goal?

ANS: Answers may vary.

2. Describe and compare the arguments of the declinists and the revivalists.

ANS: Answers may vary.

3. What is the "paradox of American power"? Describe the factors that led to the decline of American power from the 1960s through the 1980s and explain how these factors embody this paradox.

ANS: Answers may vary.

4. What two trends appear to be the most important for the contemporary and future politics of U.S. foreign policy? How do these trends differ from patterns of American foreign policy during the cold war?

ANS: Answers may vary.

5. The history of U.S. foreign policy is dominated by a myth that following independence the United States was largely an isolationist country. What are the origins and implications of this myth? What evidence suggests that it is indeed a myth, or do you agree that the United States was isolationist during this period?

ANS: Answers may vary.
