

## **CHAPTER 2: The Historical Evolution of International Politics**

---

### **MULTIPLE CHOICE**

1. In the sixteenth century, which country founded a colony called Macao in China?
- Portugal
  - England
  - France
  - Russia

ANS: A                      REF: 26                      NOT: Factual

2. During which declining Chinese dynasty did Western powers begin to exploit China?
- Ming
  - Qing
  - Zhou
  - Shang

ANS: B                      REF: 26                      NOT: Factual

3. In which way does history influence present-day international affairs?
- It helps shape understanding of the purpose of policies.
  - It provides much of the evidence used to evaluate hypotheses.
  - It helps us understand the roots of contemporary problems.
  - All of the above are true.

ANS: D                      REF: 27                      NOT: Conceptual

4. The great study of international politics, the *History of the Peloponnesian War*, was written by a Greek general named
- Sparta.
  - Pericles.
  - Aristotle.
  - Thucydides.

ANS: D                      REF: 27                      NOT: Factual

5. The Peloponnesian War was fought between the two Greek city-states of
- Sparta and Athens.
  - Baghdad and Sparta.
  - Athens and Istanbul.
  - Constantinople and Thebes.

ANS: A                      REF: 28                      NOT: Factual

6. Thucydides posited a theory of international politics that stated
- morality drives the ambitions of states.
  - great men determine the shape of history through their personal charisma or genius.
  - states are the key actors and the distribution of power a key factor.
  - balance of power among states provides the least stable system of politics.

ANS: C                      REF: 28                      NOT: Applied

7. The explanation of the Peloponnesian war by Thucydides is still important today because of the role of

- a. money.
- b. power.
- c. morality.
- d. population.

ANS: B

REF: 28

NOT: Applied

8. The feudal system in Europe was different from the Roman Empire because
- a. there were many overlapping political authorities under feudalism and only a single government under the Roman Empire.
  - b. the political authorities during the feudal period were not Christian.
  - c. the feudal system was capitalist while the Roman Empire was socialist.
  - d. citizenship was limited to Romans.

ANS: A

REF: 29

NOT: Applied

9. In 1648, European countries signed the Treaty of Westphalia that
- a. united Christian and Muslim countries.
  - b. ended the Thirty Years' War.
  - c. created a free trade alliance.

ANS: B

REF: 29

NOT: Factual

10. The conflict over religion that sprang from the Protestant Reformation was called the
- a. Peloponnesian War.
  - b. European Civil War.
  - c. War of the Roses.
  - d. Thirty Years' War.

ANS: D

REF: 29

NOT: Factual

11. The Treaty of Westphalia is important because it
- a. laid the foundation of the Cold War.
  - b. united Eastern and Western Europe.
  - c. recognized the existence of sovereign states.
  - d. promoted human rights.

ANS: C

REF: 29

NOT: Conceptual

12. Sovereignty means that
- a. each state has complete authority over its territory.
  - b. the Roman Empire had control over Europe.
  - c. all states are different in terms of power.
  - d. a single empire has potential control over several states.

ANS: A

REF: 31

NOT: Conceptual

13. Following the Treaty of Westphalia, the main actors in the international system are
- a. religious organizations.
  - b. states.
  - c. international organizations.
  - d. European kings and queens.

ANS: B

REF: 32

NOT: Applied

14. In international politics, when sovereign states are recognized by other sovereign states, they have a greater chance of
- surviving.
  - being powerful.
  - being democratic.
  - going to war.

ANS: A                      REF: 32                      NOT: Applied

15. Anarchy is central to understanding international politics. It refers to
- chaos in the world.
  - the creation of order in Europe.
  - a situation in which there is no central government.
  - the expansion of democratic rule.

ANS: C                      REF: 32                      NOT: Conceptual

16. A balance of power means that
- no more than two countries are equal in power.
  - more than six countries have equal power.
  - one state has more power than all the others.
  - no one state is sufficiently powerful to defeat the others.

ANS: D                      REF: 32                      NOT: Conceptual

17. The sovereign state system created by the Treaty of Westphalia established all of the following *except*
- the main actors in the system are states.
